OCTOBER 1971

PRICE 50p \$1.25

NEW FROM METHUEN

Chaucer: An Introduction

S. S. HUSSEY

Most critical accounts of Chaucer are either biographically too elaborate or critically too insubstantial. Dr Hussey avoids these pitfalls and also avoids plodding through the poems one by one. He stresses rather the unity of Chaucer's work, the striking development of his rhetorical skills and the evolution of his powers of characterization. £2.00; University Paperback: £1.00

Form and Style in Early English Literature

PAMELA GRADON

A critical investigation of the main literary genres and styles of Old and Middle English, which provides not only new insight into the literary principles of the period but original interpretations of its major works. £5.00

New in The Critical Idiom series

Rhetoric

PETER DIXON

The author notes some of the diverse ways in which the term rhetoric is currently used and shows some of the relationships between these uses. He goes on to elucidate these relationships by means of an historical account of the fortunes of rhetoric. 90p; Paperback: 40p

Now available as a University Paperback

The Shakespearian Tempest

G. WILSON KNIGHT

£1.25

Coming in January

Shakespeare's Dramatic Art and other essays
