AN EDITORIAL NOTE

During my absence for the next few months, the guest editors for the April 1974 issue (Volume 5, Number 2), a general number, will be Ian Adam and James Black.

In keeping with our editorial policy to assign one number per year to a special area of literature or to a special author, the July 1974 issue (Volume 5, Number 3) will be devoted to Australian and New Zealand literature. The guest editors for this number will be Grant McGregor and Christopher Wiseman. We should like this critical survey to be as comprehensive as possible and therefore invite, for consideration, articles on Australian and New Zealand literature. We invite also poems for this special number. If possible submissions should be made by 20th April 1974.
