CANADIAN STUDIES CONFERENCE

'88

The fourth biennial conference of the Association for Canadian Studies in Australia and New Zealand (ACSANZ) will be held at University House, on the campus of The Australian National University, Canberra, from Wednesday to Friday, 22-24 June 1988.

ACSANZ is an association to promote contact among Australians and New Zealanders with interests in Canada or Canadian Studies and to foster communication between people in all three countries involving issues of common concern.

Since 1988 is Australia's Bicentenary Year, ACSANZ is making special efforts to ensure our fourth biennial conference is an outstanding success. Overseas visitors attending the conference on this occasion will have the chance of visiting the national capital during the Bicentenary Year.

The conference is multidisciplinary and will include sessions on history, literature and politics and, at the discretion of the program convenors, possibly other areas as well.

There is no conference theme, but there will be a number of keynote speakers invited to explore particular topics in plenary sessions. In keeping with the established aims of ACSANZ, papers on comparative topics as well as Canadian topics will be presented.

Send enquiries or notice of intention to attend (with information as to number of persons and preference for on-campus or city hotel accommodation) to: Secretary, Fourth Biennial Conference of Canadian Studies, Conventions Department, P.O. Box 489, G.P.O., Sydney, N.S.W. 2001, Australia.
