

Cock-a-doodle-doo

I sort of sing
Of dinky Kok
Of his aura
In local academia
I sing of him
Tight-arsed
Arse-licking
Potent Kok
Who holds court
Everyday
Over breakfast
In the Kun-ki Club
Dispensing
And receiving
Favours
Now fawning
Now menacing
Whatever's needed
In skuldudgery
In a world
Desensitised to
Chicanery
