

Author Attestation Form

Manuscript ID: _____ Corresponding author: _____

Title of article: _____

Consistent with the "**Recommendations for the Conduct, Reporting, Editing, and Publication of Scholarly Work in Medical Journals**," from the ICMJE, **each author must attest to the fact that they have performed at least one of the tasks listed (#1-6)** and have attested to boxes 9-11 and that the Corresponding author has attested to boxes 7 & 8.

1. I participated in designing the study.
2. I participated in generating the data for the study.
3. I participated in gathering the data for the study.
4. I participated in the analysis of the data.
5. I participated in writing the paper.
6. I have reviewed the pertinent raw data on which the results and conclusions of this study are based.

MANDATORY FOR **CORRESPONDING AUTHOR:**

7. I guarantee that all and only those individuals who meet the Journal's authorship criteria are included as authors of this paper.
8. If this study has been or will be presented at a conference, the relevant information has been provided on the title page.

MANDATORY FOR **EACH AUTHOR:**

9. This material or similar material has not been and will not be submitted to or published in any other publication before its appearance in the Canadian Medical Education Journal.
10. I acknowledge that I am accountable for the accuracy or integrity of any part of the work.
11. I have approved the final version of the paper.

The name(s) and affiliation(s) of any individual(s) who performed the statistical analyses of this work are listed here. (To be completed by corresponding author.)
